Love Remedies ®

the Essences of Love,

contain the energy of wholeness, bringing self healing power for the mind, body and spirit.

Love Remedies are a gift of love from nature. With the Stepanovs Method, no part of the plant is cut or destroyed to make the Essences of Love. This means, the plants go through no trauma and create more balanced, harmonious essences.

This new generation of vibrational essences extracted by the Stepanovs Method was inspired by traditional Aboriginal healers.
